

WHAT HAPPENED ON JULY 14th?

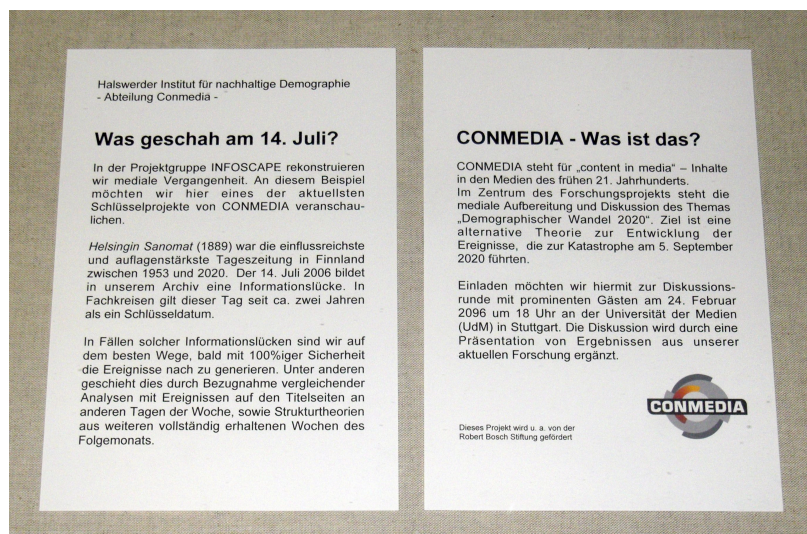

archeological projekt,
room installation, newspapers and signs
© Matthias Fritsch, 2007

description

This installation presents a research project of the (fictional) demographic institute Conmedia. The work is an archeological science fiction projekt, which analyses the present from the perspective of the future. Subject of this research is the daily newspaper Helsingin Sanomat, which consists only of advertisement on it's front page.

The installation is not signed.
